THE EAGLE

**ROGERS
HIGH SCHOOL
ROGERS
TEXAS**

REMEMBER - The value of time.
The success of perseverance
The pleasure of working,
The dignity of simplicity,
The worth of character,
The power of kindness,
The influence of example,
The obligation of duty,
The wisdom of economy,
The virtue of patience,
The improvement of talent,
The joy of originating.

TEAMWORK - We may call it by this name, or call it by that - "teamwork" or "cooperation;" together we stand, by ourselves we fall flat; together, my friend, we're the nation! Whatever we do, or whatever we plan - we can't stand alone, e'en the best of us; but must share of our gifts with our good fellowmen - for we're only a part of the rest of us!
